

Engagement and Participation with Parent Carers,
Children and Young People (Version 4 - April 2014)
Appendix 2 – Wiltshire Pathfinder Parent Agreement

Parental Representation Agreement Form

As a parent representative of the WPCC, I accept that: -

I will always: -

- ensure that I represent WPCC in a courteous, polite and professional manner at all times
- consult with and report back to my named liaison partner (as identified on this form)
- hold in confidence all matters that come to my attention including information about any person or organisation that comes to my attention except to feedback to my WPCC liaison partner or in those cases where there is permission to share information.
- ensure in situations that raise child protection issues or concerns, I will immediately contact the Parent Participation Officer at Wiltshire Council and seek advice.
- use all information gained as a member of WPCC in a responsible manner
- uphold the aims of the WPCC by working in partnership with parents, carers, young people, children and all associated professionals and in so doing, I will seek to canvas and represent the views of the wider parent membership
- take reasonable steps to prevent any damage or loss to my own personal property that I use whilst going about WPCC business.
- responsible for ensuring my car is roadworthy and appropriately taxed and insured
- ensure I take appropriate measures to reduce my personal risk while going about WPCC business (see Personal Safety Policy)

I will not: -

- use WPCC as a platform to further my own interests/beliefs or the interests/beliefs of any other agency or organization (statutory, voluntary or commercial)
- use WPCC to represent my own view to the exclusion of the views of other parents/carers
- as a member of WPCC, offer individual case work or counselling, but will signpost people to relevant organizations who can offer this.
- share personal details of the WPCC committee or wider parent membership with any individual or organisation without first obtaining their consent
